

## FAQ List for VLSI 2025 Author's Guide

2024/11/28 Updated

	Question	Judgement	Note
Pages	Font size <8pt	Unfavorable	Font size < 8pt will be rated unfavorably.
	# of Pages >=4	Reject	More than 4 pages will be automatically rejected
	# of Pages = 3	Favorable	This is standard
	#of Pages = 2	Acceptable	2 pages will be acceptable
	#of Pages = 1	Reject	One page only will be automatically rejected.
Panels	Can I move or remove the line of 6 panels?	Unfavorable	As new standard is 6 panels for figures, moving or removing the line will be rated unfavorably
	Can I put two or more figures in a panel?	Acceptable	As far as font size >= 8pt, two or more figures per panel is acceptable.
	Can I put reference list in two or more panels?	Acceptable	If you use panel for reference list, one panel will be typical one, but two or more panels are also acceptable.
	Is it permissible to extend the main body of the text (including Abstract, Introduction, Experiment, Results and Discussion, Conclusion, etc.) to the second page?	Unfavorable	The main body of the text should be confined to the first page. Pages 2 and 3 should be reserved exclusively for figures, tables, and references.
